TRAIN CONNECTION

Train Connection from Munich Airport to Salzburg HBF (Main Station)

- “Deutsche Bahn” (<http://www.bahn.de>), the public German railway company offers a so-called “Bayernticket”. This is a special ticket which costs Euro 28,00 for up to five persons and Euro 20,00 for a single person. It allows you to use all regional trains (RE) within Bavaria for one day. This includes also the Austrian train station in Salzburg, which is close to the German border as well as the local city transport in Munich. Hence, also the S-Bahn (S) from Munich Airport to the train station. The “Bayernticket” can be not used for Intercity (IC) and Eurocity trains (EC). The price for a regular ticket is between Euro 28,50 and Euro 37,00 for a single person from Munich Airport to Salzburg Main Station.
- Intercity trains need about 2:20 from Munich Airport to Salzburg HBF, Regional trains need about 2:40-3:00.

Best connection is from Munich Airport to “München Ostbahnhof” via S-Bahn (S1 or S8) and from “München Ostbahnhof” to “Salzburg HBF” (regular train)

You have to change the train only one time.

For the time table please take a look at www.bahn.de
