

HOTEL SCHLOSS LEOPOLDSKRON EARNS 2019 TRIPADVISOR CERTIFICATE OF EXCELLENCE

SALZBURG, AUSTRIA – 29 May 2019

– Staff at Hotel Schloss Leopoldskron are thrilled to learn the hotel has received “Hall of Fame” status after earning its fifth TripAdvisor Certificate of Excellence.

Now in its ninth year, the certificate celebrates businesses that are consistently excellent – having earned great traveler reviews on TripAdvisor over the past year. Certificate of Excellence recipients include restaurants, accommodations, and attractions located all over the world that have continually delivered a quality customer experience.

Hotel Schloss Leopoldskron has received a Certificate of Excellence each year since 2015. The Certificate of Excellence accounts for the quality, quantity, and recency of reviews submitted by travelers on TripAdvisor over 12 months. To qualify, a business must maintain an overall TripAdvisor bubble rating of at least four out of five, have a minimum number of reviews and must have been listed on TripAdvisor for at least 12 months.

Neela Pal, vice president of brand at TripAdvisor, said, “TripAdvisor is excited to announce the recipients of the 2019 Certificate of Excellence, which for nearly a decade has celebrated businesses that have consistently received positive ratings from travelers and diners on the world’s largest travel platform. This recognition allows us to publicly recognize businesses that are actively taking into account customer feedback to help travelers confidently experience the most highly reviewed places to eat, stay, and explore.”

Reflecting on the achievement, Daniel Szelényi, vice president and general manager of Hotel Schloss Leopoldskron, said, “We are very happy about this award. First of all, I would like to thank all the employees who make this achievement possible and of course also our guests. It would not be possible without you. Thank you very much!”
